DUBLIN, IRELAND - CONTRACT

PRESENTED TO YOU BY i-RECRUIT

# Overview

Our client is looking for Mid and Senior Nuke Compositors.

You will be working on high profile Netflix & Amazon Series, together with a Sony feature film, all starting soon.

Because of the nature of the Irish Tax credit, we need artists based in, or willing to relocate to, Dublin.

Dublin is a fantastic city for an adventure, or to make your permanent home. English speaking and in the same time zone as the UK, and with LA, Toronto and London fully booked, Ireland is fast becoming a key hub in the global VFX ecosystem.

This is a great opportunity to instantly become a senior member of a company that is growing quickly and going places.

You must be eligible to work in the EU.

# The Package

You wouldn't expect us to disclose the rate at this early stage, but we're very confident that we'll meet your expectations.

Initial contracts are 6 months, and very likely to be extended to 1 year or more.

# Next...

If we've piqued your interest, we'd be happy to answer any questions that you may have. If you are happy to be considered, we'll need a CV, and after that, there'll be an informal chat.

If both parties are happy, you will be introduced to the client to discuss the position in more detail.

And if it all goes well...welcome to your new job.
