

Design Engineer

LIMERICK, IRELAND

PRESENTED TO YOU BY i-RECRUIT

Introduction

We are delighted to be recruiting for a Design Engineer with one of Europe's fastest growing engineering companies.

Working on Civil & Utilities projects, you would be joining a dynamic, modern and innovative organisation, highly regarded water conservation providers. Working at the highest level of technical competency, at the cutting edge across a range of areas within Civil Engineering.

Overview

This is an amazing opportunity to work with a great team on exciting public realm, utility, and civil engineering projects nationwide.

Develop your skills to the highest industry standards whilst earning a very competitive salary.

You will be part of a dynamic team that works together to deliver results and also to further develop your career.

You will enjoy working with a committed and experienced team guided by a highly experienced Senior Management Team who will provide you with support & development throughout the project.

This is a fast paced, process driven environment where teamwork and sharing priorities on a regular basis is key to success.

Requirements

- A degree in Civil Engineering or equivalent.
- Relevant experience with a Civils Contractor or Groundworks Contractor.
- Design experience of Water Sector, Infrastructure and Public Realm.
- Ability to work as part of a team and achieve tight deadlines.
- Excellent communication and organisational skills.

Responsibilities

- Designing of infrastructure including Drainage, Storm water, Foul Water and Access Roads and utilities etc.
- Developing the design from initial concept & client specifications.
- Preparing and the implementation of drawings and documents for projects.
- Working with Clients, Contractors, Consultants and all relevant stakeholders.
- Monitoring of project scoping, budgets, monthly operating plans and resource allocation.

The Package

You wouldn't expect us to disclose the salary range at this early stage, but we're very confident that we'll meet your expectations.

Our client understands the value of rewarding staff well and packages include benefits such as:

- Career Development opportunities.
- Further education.
- Opportunities to travel
- Company laptop.
- Company phone
- Flexible working environments

Next...

If we've piqued your interest, we'd be happy to schedule a call to discuss the role in more detail. If both parties are happy to proceed, we'll get you and the client talking for a series of interviews.

And if that goes well...welcome to your new job.

A bit about us

We have decades of experience of recruitment, business and commerce. Trading since 2018, we're an independent and proud Irish company, working mainly across Bulgaria, Ireland and the UK. We have developed some very smart techniques for finding key staff for our portfolio of clients. It can be hard and laborious work, but it's really effective.

But you know that already, or you wouldn't be sitting there, reading this.

We treat our candidates with a great deal of respect, and because of this, we develop strong relationships with our ever-increasing database of talent.

We never forget that we are dealing with people who are making life changing decisions. We'd be *delighted* to help you on to the next stage of your career.
